PARTEX
MARKING SYSTEMS

ENGRAVED PLATES

- Order engraved plates at the same time as you order your wire and cable markers to your cabinet or project – Save money!

- Tape and mounting holes are included

- Choose between having text on 1 or 2 rows

- You can have any character size you want. (The size of the plate and number of text lines will limit what character sizes that are possible.)

Article number			Dimension
Plastic	**Aluminium**	**Stainless steel**	**cm2**
PE-003P	PE-003A	PE-003S	0 -3.0
PE-007P	PE-007A	PE-007S	3.1 - 7.0
PE-015P	PE-015A	PE-015S	7.1 - 15.0
PE-025P	PE-025A	PE-025S	15.1 - 25.0
PE-040P	PE-040A	PE-040S	25.1 - 40.0
PE-055P	PE-055A	PE-055S	40.1 - 55.0
PE-070P	PE-070A	PE-070S	55.1 - 70.0
PE-085P	PE-085A	PE-085S	70.1 - 85.0
PE-100P	PE-100A	PE-100S	85.1 - 100.0
PE-115P	PE-115A	PE-115S	100.1 - 115.0
PE-125P	PE-125A	PE-125S	115.1 - 125.0

GENERAL INFORMATION

You can get them in 3 different materials.
- 1.6mm, 2 layer ABS plastic laminate
- Aluminium
- Stainless steel, AISI 304

The marking method varies depending on the material.
- The plastic material is engraved
- The Aluminium is engraved and then the text colour is added.
- The stainless steel is engraved by using a YAG-laser
